Dear Trading Partner/Submitter,

Effective March 3, 2021, the provider's MCD ID and the capitation reason is visible on the X12 820 report. This update allows health plans to identify from the X12 820 the following:

- A capitation payment is adjusted due to a Period of Ineligibility (POI) and all other adjustment reasons.
- A capitation payment or recoupment is prorated.

Refer to the [v5010 X12 820 Companion Guide](#), available under the Companion Guides and Instructions drop-down section of the [EDI Support web page](#), for more information on the X12 820.

Contact the [Provider Services Call Center](#) at 1-844-235-2387 and select option 2 and then option 3 for Electronic Data Interchange (EDI) assistance.

Thank you,
